VERDE VALLEY MASTER TRANSPORTATION PLAN

PUBLIC INFORMATION MEETING

Come Join the Conversation!

Join us to learn more about the study and share your ideas and thoughts on the transportation needs in the Verde Valley region!

The **Verde Valley Transportation Planning Organization (VVTPO)** in collaboration with the Arizona Department of Transportation (ADOT) is in the process of updating the Verde Valley's Master Transportation Plan. The primary goal of this study is to develop a **Plan for Improvements** that promotes regional safety and mobility. Your input will provide valuable insight into transportation improvements to address current and future transportation issues.
