

CAT PARATRANSIT

CAT PARATRANSIT provides origin to destination transportation services for persons with disabilities who are unable to use CAT fixed route buses. Service is provided to locations that are within 3/4-mile of a fixed route bus stop. The services are shared-ride and require reservations be made by 5:00 p.m. the day before. Vans pick riders up at the curb by their home, and drop them at the curb by their destination. For more information or a paratransit eligibility application, call CAT at 634-2287

This is a shared-ride service. Due to variations in traffic and passenger loads, riders must be prepared for the van to arrive up to 15 minutes before or after the scheduled time.
