CITY OF COTTONWOOD
FY2022 GRANT FUNDING PROGRAM

GRANT APPLICATION PACKET

“Inspiring a Vibrant Community”

Revised
February 10, 2021

PURPOSE

The City of Cottonwood receives many requests for financial contributions from a variety of organizations and programs that serve Cottonwood. The purpose of the City of Cottonwood Grant Funding Program is to provide a structured grant application process for consideration of these requests.

GENERAL INFORMATION

The City of Cottonwood is accepting applications for the City's fiscal year 2022 Grant Funding Program for services, projects, or programs that will have an immediate impact within the Cottonwood community.

Applications for FY22 Grant Funding Program will be received by the Purchasing Division, City of Cottonwood, 821 N. Main Street, Cottonwood, Arizona 86326, until the time and date cited on the cover sheet of the solicitation document, and shall be submitted in accordance with the instructions provided in this packet. Applications received by the correct time and date will be evaluated by a review committee.

Total available grant funding for FY22 is anticipated at \$150,000. There is no minimum grant request amount, however the City does intend to award various amounts to multiple applicants.

AUDIT REQUIREMENTS

For funding amounts of \$50,000 or more: Recipients must submit two original, bound copies of their most current annual audit report with their grant application. The fiscal year must be inclusive of the funding award, and the audit must be conducted by a certified public accountant licensed in Arizona. Each audit report must be accompanied by a management letter, and a copy of the agency's final budget for the fiscal year.

For funding amounts of less than \$50,000: An audit is recommended but not required by the City. The City at its discretion may require an examination of an agency's financial records by the City Finance Department.

ELIGIBILITY CRITERIA

1. Private non-profit entities or organizations with current operating by-laws are eligible applicants. For-profit firms and individuals are not eligible.
2. Eligible applicants must provide services, projects, or programs that benefit and are available (although not limited) to residents of the City of Cottonwood.
3. Applicants must demonstrate a community need that will be addressed by the Grant Funding Program.
4. Applications for one time projects and/or ongoing programs are eligible for funding.
 - Applicants who received funding in the previous fiscal year must provide the same goals and include the actual-results-to-date. If modifications to the targets from past year's goals are needed, applicants must provide a reasonable explanation as to why (in a separate document).
5. Applicants must be capable of executing a contract with the City of Cottonwood within 30 days of notification of award of grant.
6. Financial Quarterly reporting to the City of Cottonwood will be required for a minimum of one year, or through the period grant funding is being used.
7. A final program and financial report will be required at the end of the program.

8. An organization under this group **may be ineligible** for Outside Agency Funding if:
- It has undesignated cash reserves, exclusive of assets listed in parentheses (endowment, capital improvements, and other restricted funds and donated works of art) in excess of one year's operating expenses; or
 - It has budgeted a deficit in the fiscal year for which funds are requested. (In the case of an accumulated standing deficit, the organization must submit a feasible plan for eliminating the deficit with its application.)

SELECTION CRITERIA

The community services, projects and programs eligible are intentionally broad. This allows the City maximum flexibility in determining how best to allocate the limited grant resources to effectively and immediately meet a demonstrated community need.

The following aspects will be considered in the selection:

- Additional points awarded to joint proposals with two (2) or more non-profit entities working collaboratively to reduce redundancy in delivering a common program, service or project. **(5 pts)**
- The applicant's ability to document and state the community need to be addressed with the grant funding. **(10 pts)**
- Funding Requested is appropriate for program, service, or project. (Preference will be given to **specific measurable projects** as opposed to requests for funds supporting general operations) **(15 pts)**
- The applicant's ability to meet the stated need through the design of the service, project, or program. **(15 pts)**
- The applicant's ability to describe how the program/services/project assists those populations in our community who are most vulnerable and are in need of support—while also demonstrating how the program/service/project aligns with one key focus area of the City's 2021-2023 Strategic Plan **(25 pts)**
- Documentation of developmental efforts in identifying and selecting the proposed service, project, or program. What is the background of the project? How was it determined to be appropriate for the Grant Funding Program? How does the proposal relate to the need it is supposed to meet? How did the community need develop? **(30 pts)**

A selection committee will review the applications submitted. The committee will forward recommendations to the City Council who will make the final determination for grant awards and respective funding amounts allocated.
