Perks bonus advantage extra

- ◆ Save money and time while using a simple turn key, up to date, no charge, non soliciting program.

Just for YOU!

John C. Lincoln Hospitals We have been pleased to participate with The Employee Network. The website is not only easy to access and navigate, but we appreciate that it is continually updated to ensure discounts are current for our employees. This partnership has saved us considerable time in identifying companies to approach, negotiating discounts, and managing the process to make those discounts available to our employees. Thumbs up to Steve and his staff!
