AIRPORT ORDINANCE

Mr. Gradijan began the discussion by stating that the purpose of the special meeting was to discuss the proposed ordinance prepared by the city attorney.

Mr. Altizer noted that his main problem with the ordinance dealt with the banning of someone from the airport. Mr. Altizer also stated that he had changes on almost every paragraph.

After general discussion regarding the legality of banning someone from the airport, Mr. Altizer made a motion to remove this item from the special agenda, and add it to the next special meeting agenda to be held within two weeks. The motion was seconded by Mr. Tinnin and the vote was in favor.

There was additional general discussion and the meeting was adjourned informally.
