DISCUSSION AND PLANNING AN OPEN HOUSE AT THE VERDE VALLEY
SENIOR CENTER

The Senior Commissioners agreed that Friday, May 8, 2009 should be the date for a special Open House at the Verde Valley Senior Center. Elaine Bremner confirmed the Senior Center would be available on that date for the Open House to begin at 1 PM.

It was the consensus of the Commissioners that Doug Bartosh, Cottonwood City Manager, would be present to do a presentation about the Home Rule Election.

The Senior Commissioners would be introduced.

Elaine Bremner had received some information from NACOG regarding a Weatherization Assistance Program, and this will be shared.

Duane Kirby expressed the importance of every citizen participating in the Federal Census that is being conducted at this time. It was agreed this information would also be shared.

Elaine Bremner introduced Marilyn Johnson to everyone. Marilyn is the new Title V person that Elaine is training. Marilyn will eventually be able to assist the Senior Commission and she will be the contact person for citizens who call the new information telephone number recently installed at the Senior Center.

The material and supplies needed at the Open House will be discussed at the next Commission meeting on Thursday, April 23, 2009.

Meeting adjourned at 5:05 P.M.
