“The Cottonwood Youth Advisory Commission shows their support for the V.V. Senior Center”

The Cottonwood Youth Advisory Commission showed their support for the Verde Valley Senior Center on March 19 by participating in the 3rd Annual Mayors’ March a Mile for Meals. The March puts the spotlight and focus on the plight of our senior citizens. Despite the huge challenge, the Verde Valley Senior Center continues to provide quality nutritional meals to home-bound seniors. C.Y.A.C. understands the need to support and focus on the needs of our elder population. The Commission feels this generation is living history from a time when our country had to overcome momentous struggles.
