CLEAN, RECYCLE & SLASH YOUR HAZARDOUS TRASH *Saturday, April 14th – Clean up Cottonwood Day*

COTTONWOOD, Ariz. - Calling all businesses, residents and community volunteer groups in Cottonwood and Verde Village...Saturday April 14 has been declared "Clean up Cottonwood Day" and *everyone* is urged to get involved in cleanup activities to spruce up the city. A clean and beautiful city promotes the health of residents and neighborhoods, encourages thriving economic prosperity and enhances tourism.

All cleanup efforts are welcomed, from picking up litter on one's own property, to cleaning up parks, around offices, retail shops and streets, from group campaigns to individual efforts, as long as some contribution is made toward giving Cottonwood the thorough tidy-up and all-over sprucing up that it needs.

Clean up Cottonwood is part of the broader "Looking Good Cottonwood" campaign to make the city sparkle under the visitors' spotlight. The broader aim of the Cottonwood campaign is to make Cottonwood a cleaner, healthier, safer and more beautiful city.

Residents and businesses are encouraged to take pride in their community by raking and mowing their lawns, painting, planting flowers and enthusiastically cleaning up their yards. Groups of community volunteers will help others who are not able.

Anyone can contribute to these cleanup efforts. If you, your family, community group, employee group or faith based group have a few hours to share, this is a great opportunity.
