COTTONWOOD, Arizona (August 5, 2014). – The offices of the City of Cottonwood Water and Wastewater Utility will be closed to the public on Monday August 18, 2014.

This closure is required for start-up and implementation of new utility billing software. The new software will allow for combined water and sewer bills and improved payment options. If assistance is required for **emergency service or leak reporting only**, a utility clerk will be stationed at the Planning and Zoning counter on Monday from 8:00 AM to 4:30 PM. The counter is located adjacent to the Utility Billing office.

The utility billing office will reopen on Tuesday the 19th at 8:00 AM for all utility related services.

If you have any questions regarding this closure please contact Roger Biggs, 928 634-0186 extension 3307. Thank you.
