## DISABILITY & REHABILITATION EMPLOYMENT AWARENESS MONTH

**D.R.E.A.M. JOB FAIR** - It started in Tucson in 2010 as a way to “jump start” Disability & Rehabilitation Employment Awareness Month (D.R.E.A.M.). The first Job Fair — just for people with disabilities — was a huge success. Now there are D.R.E.A.M. Job Fairs in Phoenix, Yuma, Tucson, Flagstaff and in the Verde Valley!

With a coalition of a variety of agencies, we are happy to announce the **Verde Valley D.R.E.A.M. Job Fair** that will be held on **Wednesday, October 8th, 10:00 am - 2:00 pm**, Yavapai Community College, Verde Valley Campus.

This event kicks off national Disability Rehabilitation Employment Awareness Month by offering a job fair for local people with disabilities who are looking for work and the businesses ready to hire!

There is a large community of people who want to work and who can work. Studies show that these workers make great employees for a wide variety of organizations. Locally, there is a significant number of people with disabilities who are unemployed and are ready to be given a chance.

We look forward to welcoming both employers seeking individuals and individuals seeking employers!
