**COTTONWOOD TO PARTICIPATE IN ARIZONA'S  
14th ANNUAL CITIES & TOWNS WEEK**

Cottonwood Ariz. - (Oct. 14, 2015) Mayor Diane Joens announced today that City of Cottonwood will join municipalities across the state of Arizona, and take part in the League of Arizona Cities & Towns' 14th annual Cities & Towns Week from October 18-24, 2015. The entire community of Cottonwood is encouraged to learn more this week about the services and programs that the city offers to improve the quality of life in our community.

"Our city works around the clock to provide vital services to make Cottonwood a safe and exceptional place to live, work and play," said Mayor Joens. "Participating in Cities & Towns Week offers our community an important opportunity to join together with cities and towns across the state to highlight local government's essential contribution to our citizen's daily lives."

Cottonwood offers a variety of tours throughout the year including our annual open house at the Police and Fire Departments, tours of our Water and Wastewater Departments, etc. If you are interested in visiting one of your city's departments, please contact Kyla at 928-634-5526 for more information.

Cities & Towns Week is set aside each year to provide citizens with important information about the services and programs provided by their city/town, and to introduce the employees that deliver them.
