## **MEDIA RELEASE**

Cottonwood, Arizona—December 1, 2015 – Staff at the City of Cottonwood are putting the finishing touches on the City’s Holiday Light Display, which has been placed on many of the City buildings in Old Town Cottonwood, to the delight of all our children, and the child within us.

In 2011, the living Christmas tree in Old Town was demolished in a vehicle collision and the City’s annual tree lighting service had since been replaced by the holiday light show. However, several members of our community were disappointed that we did not have our live Tree Lighting event at the same time.

This year the City has planted a young, new tree to replace the one that was damaged in 2011 and will be returning to our annual Tree Lighting event. Also taking place at the same time is the annual Chocolate Walk.

The Annual Tree Lighting will be on Saturday, December 5, 2015 at 6p.m. in front of the Cottonwood Civic Center at 805 N. Main Street, and our magical electronic holiday display will play every night through the holidays.
