

# SAVE THE DATE!

## Expanding Health Impact Assessment Practice in Arizona

A **full-day** workshop

Sponsored by Health in Policy & Practice (HIP<sup>2</sup>)  
Co-sponsored by American Planning Association - Arizona Chapter

◇ **Friday, May 31<sup>st</sup>, 2013** ◇ **8:30 am - 4:30 pm**  
◇ **Phoenix**

### Why should I attend this **full-day workshop** ?

- ◇ Learn about the Health Impact Assessment (HIA) process, the state of the practice, and available HIA tools and resources
- ◇ Identify opportunities for conducting HIAs in your community
- ◇ Build relationships with organizations and individuals to help you conduct an HIA in your community

### About HIP<sup>2</sup>

Through education, collaboration, information sharing, and partnership development, the HIP<sup>2</sup> team's mission is to empower organizations and communities to integrate healthy community design into decision making.

### About the Trainer

**Steve White** from Oregon Public Health Institute (OPHI) will be our trainer. Information about Steve and OPHI's HIA work can be found at [www.orphi.org](http://www.orphi.org)

### Additional Event

There will also be a **half-day seminar** for those interested in a higher level overview of HIA

Health in Policy & Practice

Registration and additional event information will soon be available at:  
[www.azhealthycommunities.org](http://www.azhealthycommunities.org)
