---

## FOR IMMEDIATE RELEASE: August 5, 2013

The Police Department would like to provide a gentle reminder to the community regarding the upcoming school year. We would like everyone to be mindful of the increased vehicle and pedestrian traffic particularly in the morning and afternoon hours around our local schools. As such, we encourage those to leave early enough to prevent unnecessary haste, which often lead to traffic

violations such as running red lights, stop sign violations, speeding and disobeying school bus stop signs. All of these have a potential for placing our children at risk. Next week, officers will be conducting proactive traffic education and enforcement patrols aimed at alleviating and reducing some of the congestion and traffic violations associated with students returning back to school.

The Cottonwood Police Department takes pride in keeping our roadways safe. Please drive safely.
