Special Event Parking Considerations

Cottonwood, Ariz, September 13, 2012— The City of Cottonwood with sponsor Cliff Castle Casino will host the 12th Annual Thunder Valley Rally in Historic Old Town Cottonwood and will be expecting increased motorcycle, vehicle and pedestrian traffic in this area.

The Cottonwood Police Department would like to issue a friendly reminder to event patrons and local residents to be mindful of the increased traffic and to pay particularly close attention to temporary and permanent parking signage in this area. Vehicles found in violation may be subject to citation or tow, at the owner's expense. Notable violations include double parking, parking in front of fire hydrants, on sidewalks and obstructing the roadway or thoroughfare.

Event vendors are expected to arrive and set-up in the Old Town area as soon as 10:00 AM on Friday, September 14th. Similarly, event and motorcycle enthusiasts will also be afforded designated parking along Main Street.

Parking concerns or complaints may be directed to Sgt. Gareth Braxton at (928) 634-4246.
