

Mingus Union High School Cafeteria
Thursday, April 24, 2014 7:00PM

**For parents and
students (grades 5-12*)**

***Mingus Students Grades 9-12 will have
seen Dr. Dewey on April 23 at school**

THIS IS YOUR TEEN'S BRAIN...
with Dr. Stephen Dewey

**Working together to
Strengthen Families and
Help Teens Grow up to be
Healthy and Safe**

It's about our children's future.

Dr. Stephen Dewey will candidly
discuss the facts...and just the facts on how the
teen brain responds to alcohol and drug use.

Dr. Dewey simply shows parents and teens what he sees
everyday through his research at the
Feinstein Institute for Medical Research at
North Shore LIJ Hospital.

School and Community

Drug & Alcohol Awareness Forum

Continuing with its commitment to help educate parents, students, and the community on the dangers of drug and alcohol abuse, the VVMC & Mingus Union High School will be sponsoring an informational Drug & Alcohol Awareness Forum on:

Thursday, April 24, 2014

7:00 P.M.

Mingus Union High School Cafeteria

Dr. Stephen Dewey, Neuroscientist and *Times Herald* “Man of the Year in Education” will serve as the event’s keynote speaker. During his presentation Dr. Dewey will:

- Explain how alcohol and drug use affects the developing adolescent brain and the adult brain.
- Discuss a range of drugs, beginning with the most addictive from caffeine to heroin.
- Make information come alive to parents and students through the use of PET slides.
- Empower parents with the knowledge and confidence to guide their children through the adolescent years.

Dr. Dewey currently works at the Feinstein Institute for Medical Research at North Shore-LIJ
