Cottonwood PD's National Night Out Change of Date

Over the past couple of years National Night Out has experimented in the southern states where temperatures in August can be over 100 degrees, changing the date to the first Tuesday in October for the National Night Out community event.

Because Arizona falls in those states, the Cottonwood Police Department is excited to announce the change in date for our National Night Out to October 4, 2016 from 5:00 p.m. to 8:00 p.m. at the Kids' Park (same location as last year).

Changing the date will allow for cooler temperatures and with school already in session this would allow us to promote the Cottonwood Police National Night Out event throughout the school districts and solicit the help of the schools. We have always competed with the first day of school or school open houses for new students in August. We are looking forward to the Cottonwood Police National Night Out 2016.
