FROM THE PRESIDENT:

To the members of the Old Town Association,

I would like to thank all the merchants that participated in Safe Night. This year we had 50 merchants hand out candy to the children that attended this event. This was the largest number of merchants to ever participate. It really shows the community that we as merchants in Old Town care about our community and are willing to give back.

This past Saturday, Walkin' on Main took place in Old Town, hosted by the City of Cottonwood and the Verde Valley Wine Consortium. I spoke to a large number of merchants in Old Town and heard this event was a great success. It's nice to see all our hard work advertising Old Town is being noticed by other communities. With everyone's support, we will continue with special events and other programs to promote Old Town Cottonwood.

The next events coming up are the VIP Chocolate Walk on December 5th and the Chocolate Walk on December 6th, in conjunction with the Christmas parade on Main Street. I encourage all of you to advertise these events on your Facebook pages and websites and/or link them back to the OTA website, www.oldtown.org.

Remember, if you have any questions or concerns, you can reach me at 602-301-2304 or 928-649-8733 or come on down to Burning Tree Cellars at 1040 N Main Street and see me. I am there 95% of the time. I would like to thank you all for being members of the Old Town Association.
