News Release/Public Service Announcement

CAT/LYNX Will Be Starting the New Routes and Schedules January 20, 2014.

CAT/Lynx buses will be opening a new chapter in the City of Cottonwood by adding a third fixed route, the Green Line, adjusting the Blue Line to four trips a day, two in the morning at 6:45am and 7:30am and two in the afternoon at 5:15pm and 6:00pm. During the middle of the day the Yellow line will take the place of the Blue Line and run from 8:15am through 5:15pm. It will go out as far as the Verde Manor and hit all the stores from Walmart to Safeway on the way back in. All CAT buses will leave the Cottonwood Library every 45 minutes, starting at 6:45am, with the last bus leaving the Library at 6:00pm.

Verde Lynx will see an additional bus that will run at 6:45am and 8:15am, as well as 1:30pm and 3:00pm. The first Lynx bus leaves the Cottonwood Library at 6:00 am.

Complete schedules and maps are available on the Verde Independent web site, as well as the City of Cottonwood web site. They are available at the usual outlets.

CAT provides three fixed routes serving Cottonwood, Clarkdale and Verde Villages, as well as ADA Paratransit service to complement the fixed route service Monday through Friday. LYNX provides intercity service between Cottonwood and Sedona seven days a week.
