News Release/Public Service Announcement

CAT/LYNX Will Be Assisting the U.S. Marine Corps Reserve in Their Annual Toys For Tots Christmas Drive.

CAT/Lynx buses will be opening their doors for folks to drop off their unwrapped toys for the Toys for Tots campaign by the US Marine Corps Reserve. Toys may be left with the drivers in all CAT and Lynx buses or may be dropped off at the CAT Offices at 340 Happy Jack Way, just west of the Cottonwood Airport, from now until December 11. Please make sure to let the drivers know that the toys are for the Toys for Tots campaign. Please have them in a bag for our drivers.

The CAT/LYNX administrative offices are open from 8:00 am to 5:00 pm, Monday through Friday. There is a donation box in the lobby if you want to drop your toys off here.

CAT provides three fixed routes serving Cottonwood, Clarkdale and Verde Villages, as well as ADA Paratransit service to complement the fixed route service Monday through Friday. LYNX provides commuter service between Cottonwood and Sedona seven days a week.
