Cottonwood Fire Department Presents Community Outreach and Fire & Life Safety Awards

COTTONWOOD, AZ (February 13, 2014) – On Thursday, February 13, 2014, the Cottonwood Fire Department presented two awards to local recipients. These awards were presented at the Cottonwood Chamber of Commerce breakfast.

Annually, the Cottonwood Fire Department recognizes a citizen within the Community who displays outstanding commitment and leadership. The 2013 recipient of Cottonwood Fire Department's "Community Outreach Award" is local resident Connie Bullock. Connie has been instrumental in promoting community programs including the Boy & Girls club, mentoring local youth and supporting the Cottonwood Fire Department flag program, a program in which U.S. Flags are posted around Cottonwood on patriotic holidays.

Also, the Cottonwood Fire Department is proud to annually recognize a local commercial business within our community that goes 'above and beyond' to promote fire and life safety education and a safe environment for their customers, employees and/or tenants. The recipient of the 2013 Cottonwood Fire

Department "Fire & Life Safety Occupancy Award" is Tuzigoot Village senior living center. The Tuzigoot Village staff has been highly responsive to maintaining fire and life safety within their facility including ensuring that built in protection systems are in top working order and sponsoring various fire and life safety education programs provided by Cottonwood Fire Department personnel.

For further information please contact the Cottonwood Fire Department at 928-634-2741.
