Cottonwood Fire Department Provides Kitchen Safety Program at Tuzigoot Village

COTTONWOOD, AZ (October 29, 2013) – On Tuesday, October 29th 2013, Cottonwood Fire Department personnel provided a kitchen safety educational program to residents of Tuzigoot Village, 1600 Skyline Drive in Cottonwood. These residents were advised that kitchen fires are the #1 cause of residential fires in the U.S. A number of tips were given to residents as to how they can minimize the risk of kitchen fires and fire related injuries. This program was part of Cottonwood Fire Department's ongoing

efforts to provide public fire and life safety education to our community.

For further information please contact the Cottonwood Fire Department at 928-634-2741.
