

OUR PRESENTERS...

SEAN RILEY started his law enforcement career as a San Diego County Deputy Sheriff in 1987. Sean relocated to Washington in 1990 and spent over 16 years with the Kirkland Police Department. Sean's many accomplishments

include being a member of the International Homicide Investigator's Association, D.A.R.E Officer, Certified Trainer, and Homicide and Sexual Assault Detective. He is also credited with solving one of the first ever elder abuse homicide cases in the nation. Sean Riley is currently the Founder and Executive Director of Safe Call Now, a crisis intervention program for law enforcement and public safety personnel. Bachelor of Arts/Public Administration; San Diego State University as well as numerous Law Enforcement training seminars.

DR. FRANK GALLO specializes in trauma and addiction treatment services to uniformed service professionals such as police, fire, corrections, military, veterans and EMTs. Dr. Gallo received a PhD in

Psychology from the University of Rhode Island, and has experience and specialty training in cognitive and behavioral therapies including Acceptance and Commitment Therapy, and evidence-based treatments for Posttraumatic Stress Disorder (PTSD). He is a retired police officer from the Cranston, RI, Police Department. His experience included uniformed patrol, detectives and the special reaction team (SRT). Dr. Gallo has published numerous articles in the field of police psychology, and has written police training manuals. He has provided recruit training for police and paramedics, in-service training for police and fire and training for mental health professionals including delivering services to uniformed professionals and integrating psychological treatment and uniformed service →

THREE ORGANIZATIONS...

- FBI NATIONAL ACADEMY ASSOCIATES

The FBI National Academy Associates is recognized globally among government leaders, law enforcement agencies and communities as the premier provider of law enforcement expertise, training, education and information. The FBINAA is the chosen resource on law enforcement issues and the standard by which all other law enforcement agencies measure their performance. The FBINAA hallmarks are leadership, teamwork, and the courage of their members to effectively anticipate and respond to global and community law enforcement needs, ensuring the safety of the citizens they serve. www.fbinaa.org

- SAFE CALL NOW

Safe Call Now is a confidential, comprehensive, 24-hour crisis referral service for public safety employees, all emergency services personnel and their family members nationwide. Safe Call Now is a resource for public safety agency employees to speak confidentially with officers, former law enforcement officers, public safety professionals and/or mental healthcare providers who are familiar with this occupation. It is a safe place to turn, to get help from individuals who understand the demands of a public safety career and who may have endured the same struggles. 206.459.3020 / www.safecallnow.org

- SOUTHWORTH ASSOCIATES

At Southworth Associates, we will do everything in our power to help dependent individuals, their families, colleagues and friends to treat the disease of addiction and mental health disorders. We emphasize early identification, intervention, referral for treatment and monitoring. We facilitate interventions, provide case management and sober escort services for individuals and families with addiction and mental health disorders. Our mission is to provide exemplary consulting, education, and recovery services in a proactive manner and allowing individuals, families, colleagues, and friends an opportunity to live a rewarding life independent from addiction. 208.323.9555 www.southworthassociates.net

POLICE LINE DO NOT CROSS

→ training to increase uniformed professionals' psychological flexibility, valued living, and work performance. Dr. Gallo's research interests include PTSD and effective treatments for uniformed service professionals.

LYNN HANKES MD, FASAM, is a graduate of the University of Notre Dame and Georgetown University School of Medicine. Over 25 years ago he was among the 100 pioneer physicians in the entire country who passed the

first certification exam in Addiction Medicine, and he is also an honored Fellow of the American Society of Addiction Medicine. Dr. Hankes is a Clinical Professor Emeritus at the University of Washington School of Medicine in the Department of Psychiatry and Behavioral Sciences. He served 13 years as the full-time Director of the Washington Physicians Health Program, and he is also a Past President of the Federation of State Physician Health Programs. Dr. Hankes is on the Advisory Board of Safe Call Now and the Air Line Pilots Association, which is an assistance program for commercial airline pilots. He is also a member of the Board of Directors of the Florida Professionals Resource Network, a program that facilitates the rehabilitation of health professionals with substance use and mental disorders.

DR. LAURA BRODIE is a practicing Clinical and Forensic Psychologist in Tustin, CA. She has worked with the Los Angeles Police Department's Employee Assistance Program, focusing on substance abuse issues in law

enforcement as well as debriefing and preparing undercover officers for assignment. She is also a member of the CRT and SAT's Hostage Negotiation Team. She currently evaluates Federal Candidates for law enforcement employment, consults with local police departments and treats law enforcement individuals in a variety of psychological issues. Laura is also an Honorary Member of International Association of Undercover Officers.

ONE MISSION.
