### Yavapai County Participates in Verde Valley SciTech Festival

The Yavapai County GIS, Flood Control and Health Departments will be participating in the Verde Valley SciTech Festival. Our specific event will be from 5-7PM on March 23<sup>rd</sup> in the Yavapai County BOS meeting room (10 S 6<sup>th</sup> St, Cottonwood). “What in the World is GIS” will be showcasing GIS (Geographic Information Systems) through sample web mapping applications and wall maps. “Flood Control is For You” will demonstrate the purpose and functionality of the District’s real-time flood threat recognition system. The Community Health Education Department will use multiple props to help explain the harm of unhealthy choices to students around the Verde Valley. Check out the diseased lungs, fat vs. muscle and “Mr Gross-Mouth” displays! This is a free event.
