

**Full Marathon  
April 16, 2016**

The 2016 Brian Mickelsen Memorial Full Marathon will Start at Riverfront Park at the south end of the small parking lot. The course will head West out to River Front Rd and take a Left/South onto N 10th St. At Main St head Right/West to travel through Old Town Cottonwood and becomes S Broadway while heading Northwest toward Clarkdale. Turn Right/East onto Tuzigoot Rd and across the Verde River. Turn Left/West onto Sycamore Canyon Rd. Continue on Sycamore Canyon Rd for 7 miles as the road soon turns to a graded dirt road, parallels the Verde River, then rises up on some flats with views of red rock foothills to the north. Keep left at Forest Service 131 for 1/3 mile to the Full Turnaround. Return on Sycamore Canyon Road. At Tuzigoot Rd take a Left/East for about 3/4 mile. Just before the entrance to Tuzigoot National Monument is the Tuzigoot Turnaround. Return West on Tuzigoot Rd for a 1/2 mile and take a Left/South onto a graded dirt road and quickly onto a single-track trail for about 1 mile as it rounds the south side of Tuzigoot and through the southern end of the Tavasci Marsh. Midway is a short, steep hill up & down after the gate! Cross a foot bridge and turn Right/South onto an old dirt road. This former dirt road climbs up and over a small hill and connects to Dead Horse Ranch State Park and onto Flycatcher Rd. After a 1/4 mile on Flycatcher Rd, head Right/South onto a single track trail and keep right as it leads to a double-track dirt road for 1/3 mile. Take a Right/West to visit the Blazin' M Ranch then head back & South to take a Left/East through the main entrance of Dead Horse Ranch State Park. Continue on the main park road east for about 1 mile to jump onto the hard-packed dirt bike path that circles clock-wise around 2 lagoons and head back west on the main park road. Exit the Park and take a Left/South onto 10th St to travel just under 3/4 mile to take a Left/East onto River Front Rd and to the Finish.

All Control Points have 3/8" rebar with aluminum cap stamped with name of the point and Control Point (except start which has Magnetic Nail in curb seam). Map Coordinate System is: Arizona State Plane, Central Zone, NAD83, US Feet. This Course is located in and North of Cottonwood, Yavapai County, Arizona.

1. Start/Finish Control Point  
Latitude: 34°44'52.626"N  
Longitude: 112°0'46.502"W

2. Full TA Control Point  
Latitude: 34°50'21.321"N  
Longitude: 112°2'37.791"W

3. Tuzigoot TA Control Point  
Latitude: 34°46'9.168"N  
Longitude: 112°1'43.889"W

Date: 3/22/2015
