The Cottonwood Recreation Center is raising membership fees beginning July 1, 2015. After 5 years of being in business the CRC has never seen greater usage of the facility nor had more lives being positively changed. Unfortunately, now is the time to use a slight increase to try and decrease the gap between revenues and expenditures for the facility and attempt to reach our 60% cost recovery goal. The new rates compare favorably to the rates of similar facilities and also to the recommended rates for the CRC when the facility originally opened in 2010. Our hope is that you too will find the new rates to be fair and worth the investment to reach your goals of maintaining a balanced and healthy lifestyle.

Outdoor Pool rates are also increasing by 50 cents a visit.
