

CITY OF COTTONWOOD WELL #4-2 REPLACEMENT

ADDENDUM #2

This addendum is released to move the deadline for quotations from Monday June 29th at 3:00 to Friday June 26th at 5:00 p.m. The City is aware that this is short notice, but the well has moved from pumping approximately 80GPM down to 18GPM and therefore the City has deemed this an emergency.

Thank you for your understanding.
