Cottonwood Area Transit Green Line service to resume

COTTONWOOD, AZ – Beginning Monday, July 27, Cottonwood Area Transit will resume service on the Green Line route. The route starts at 6:45 a.m. from the Cottonwood Public Library. To download the Green Line route and schedule visit <https://cottonwoodaz.gov/DocumentCenter/View/3002/CAT-Guide-10-01-2019>. For the safety and protection of our drivers and other riders, there is a limit of 10 riders per bus, and riders are required to wear face coverings.

We want to thank all of our riders for their patience and understanding through this difficult time, and also for your continued support of our transit system. We will keep all changes in services updated both on the City of Cottonwood's website (<https://cottonwoodaz.gov/161/Cottonwood-Area-Transit-CAT>) and the CAT and City Facebook pages.

Please feel free to contact us if you have any questions or comments. You may contact the CAT office at 928-634-2287, or by email at cat@cottonwoodaz.gov.
